

# Trinity Treasures

February 2025

## ***Director's note:***

February was so fast; it started with snow and the groundhog seeing his shadow which signaled 6 more weeks of winter and ended with Spring-like weather! We still have a few openings for next year so spread the word to your neighbors and friends. Some reminders for Summer Fun: May 28-June 13 and is for all TPNS students who are fully potty trained. Due to the nature of our day during Summer Fun, we can not make exceptions for potty training so please see me if you have any questions and we are happy to help train your children so they may participate. All students have a spot in Summer Fun and 24-25 school tuition and Summer Fun invoices need to be paid in full before Summer Fun begins. I am here if anyone has any questions!

## ***A note from Kate Graham, director of Camp Trinity (run by the church):***

Camp Trinity registration is now open! Reserve your spot today for four weeks of summer fun. Our camp experience is for children ages 3-6 and is designed to be an opportunity for pure fun, friendship and adventure!

Our caring and energetic staff will ensure that every child has a great time and is safe. Our philosophy is play-based. We work with campers to encourage discovery, interaction and movement.

Throughout the week, children can expect to laugh, dance and learn while enjoying friends, music, dancing, crafts, water play, story time and so much more.

There is a great mix of structured and unstructured time for children to be engaged throughout the summer!

### February Fun in 5 day 5s!

The 5 day 5s class mastered the art of independently putting on and taking off snow gear in February. When not outside, our little learners celebrated the magic of friendship through playful and cozy dramatic play. Here is a peek of all the fun we enjoyed this month!

We kicked the month off by celebrating Chinese Lunar New Year with a cheerful dragon parade. Students dressed in traditional Chinese clothing and paraded while singing "gung hey fat choy", or Happy New Year!

In honor of Groundhog Day, our curious explorers learned about hibernation and created their own cozy spaces by building blanket forts around the classroom.

Our hearts grew even warmer during our Valentine's Day party, where we shared messages of love and friendship and enjoyed chocolate covered strawberries. Later, we even got to hear our hearts beat with Ms. Marianne in Science!

After break we began an exciting new unit: traveling the world together! Our first stop was England, where we read the book "Katie in London" and worked together to build the city right in our classroom!

We are thrilled to see where  
TPNS Airlines will take us next!
