

Trinity Treasures

March 2025

Director's note:

What a fun and successful night we had at Spring Into Trinity. Once again I would like to thank the committee for their dedication to making sure this event was spectacular and for the many families who donated auction items to help raise money for our special programs. Chucks In London, thanks to Aaron Leeder, out did themselves and Park City Music Hall were outstanding hosts. Thank you also to our great Auctioneer-so fun to watch the excitement in the room. This is such a special community full of generous and caring people; thank you to all of you for all you do! We still have a few openings for next year so spread the word to your neighbors and friends. We are planning for our end of year celebrations and events. Please return your Easter baskets by April 8 if you took a tag and remember to sign up and volunteer for the upcoming events to continue to build your village and lifetime friendships.

Important Dates for April (same on calendar):

- ★ 11: No Stay & Play
- ★ 14-18: Spring Recess, no school

Take care of yourself and each other!

MISS DIANE & MISS SHERRI'S 5 DAY 3s!

March was filled with out-of-this-world St. Patrick's Day fun and adventures. Our class painted colorful shamrocks, made rainbow necklaces, and constructed an elaborate leprechaun trap covered in tasty treats, gold coins, and plenty of glitter.

We did not catch the leprechaun, but he left us a pot of treasures and played a few silly "tricks" in our classroom.

We also celebrated the holiday with a festive St. Patrick's Day party. We enjoyed delicious rainbow bagels and juice while wearing our "shamrock shades".

After the holiday, we enjoyed a two-week unit on Space. The children learned about the solar system and

created several space-themed crafts. We painted our galaxy, the moon, and the planets using various painting techniques.

The highlight of the unit was an imaginary trip to the moon. The children had an amazing time riding in our pretend space capsule and collecting rocks on the moon!

A note from Kate Graham, director of Camp Trinity (run by the church):

Camp Trinity registration is now open! Reserve your spot today for four weeks of summer fun. Our camp experience is for children ages 3-6 and is designed to be an opportunity for pure fun, friendship and adventure!

Our caring and energetic staff will ensure that every child has a great time and is safe. Our philosophy is play-based. We work with campers to encourage discovery, interaction and movement.

Throughout the week, children can expect to laugh, dance and learn while enjoying friends, music, dancing, crafts, water play, story time and so much more.

There is a great mix of structured and unstructured time for children to be engaged throughout the summer!

A note from Rev. Cathy:

In February in Chapel we heard stories of God calling God's people to do hard things, promising to be with us wherever we go. We heard the story of Moses meeting God in the burning bush and calling Moses to lead the Israelites out of slavery into Egypt, and about how God called the shepherd boy David, the youngest of Jesse's 8 sons, to be king, and how God saw that David had a good heart.

In March we returned to the theme of God's steadfast love for God's people and how we reflect God's love in our relationships with one another. We heard the story of God giving Moses and the Israelites the 10 Commandments - 10 ways to show love for God and for each other. We heard the story of the widow Naomi and her daughter-in-law Ruth returning together to Naomi's home in Bethlehem. There they met Boaz, and Boaz fell in love with Ruth, whom he noticed because of her good heart and steadfast love for Naomi. And we learned about how Ruth and Boaz were the great grandparents of the shepherd boy David who became king.
